3 Bedroom, 3.50 Bathroom, 2,220 sqft

Residential on 0.04 Acres

BREWERS HILL, Baltimore, MD

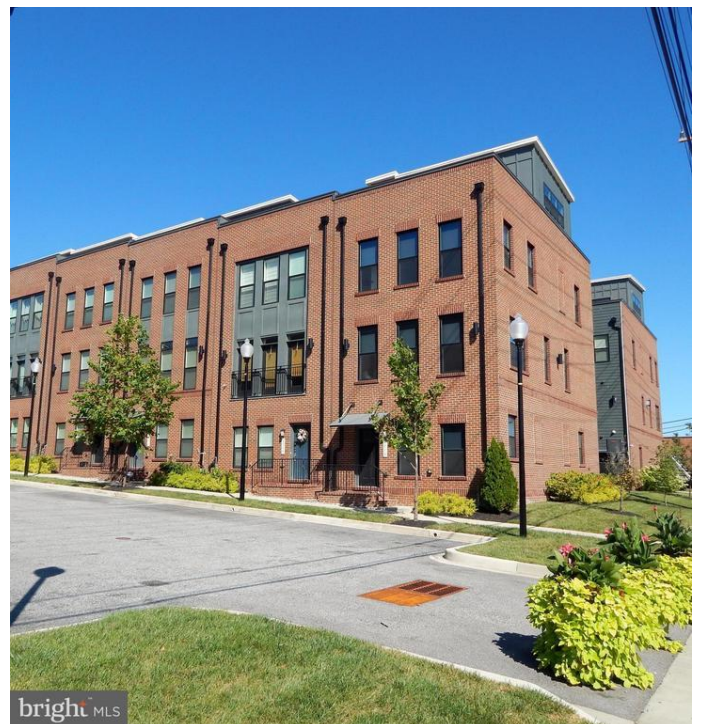

Welcome to one of the hottest new areas in Brewers Hill. Looking for a 2-car garage townhome that is move-in ready? This is it! Just a few years ago, the current owners hand-crafted this lovely townhome with Evergreene Homes and they are certain that you will find this barely lived-in gem a wonderful option for you as well.

4010 Harmony Court is an elegant 3 bedroom, 3.5 bath, well maintained, end-unit townhome in the heart of Brewers Hill. With over 2,200 sq feet of finished living space and an open concept floor plan that provides more living options than some single-family homes.

Amenities include wide plank hardwood flooring, oak foyer stairs, craftsman 3-panel interior doors and designer lighting throughout.

For the chef, Frigidaire stainless-steel appliances, gourmet kitchen island, granite countertops and 42" Timberlake cabinets for ample storage. The 9-foot ceilings, high performance PlyGem Low E black vinyl windows and convenient upper-level laundry room simply add to the beauty and usefulness of this space.

This floorplan includes two large primary bedrooms. Both of which include deluxe en suites with oversized showers, hand-set ceramic tile flooring, cultured marble raised vanities and walk-in closets. The 3rd bedroom on the entry level also has a deluxe full bath

which makes this the perfect opportunity for a guest suite or your very own private study/office away from the main living areas. The fourth level is an entertainerâ€™s dream with a nice lounge area and two rooftop terraces. A convenient powder room is also located on this level.

This community has walkable access to a variety of restaurants, grocery stores (Harris Teeter and Sprouts), shopping in Canton Crossing, entertainment & fitness centers. Canton Waterfront Park and Bark Social are within a short walking distance. Conveniently located near several medical facilities including Johns Hopkins Bayview, Mercy Medical Center and Medstar Harbor which has proven to be perfect for medical professionals who prefer an easy commute.
