Farm on 143.90 Acres

NONE AVAILABLE, Taneytown, MD

Discover the exceptional potential of this expansive 143-acre property, offering a unique blend of agricultural, residential, and natural features. The property includes two residential homes (one currently occupied), one trailer home, and multiple detached accessory buildings that once supported a large-scale dairy operation. These structures include a milking parlor, a large open-sided free stall barn, an enclosed grooming and feeding barn, an equipment storage building, and a 4-car pole garage, among others.

Approximately 60 acres of tillable land are actively used for a mix of hay and row crop production, while the remaining acreage showcases a diverse landscape of wooded areas, marshland, and curtilage. A small pond and the presence of abundant wildlife create a peaceful, natural environment—perfect for those seeking both productivity and tranquility.

The property is protected by a perpetual Maryland Agriculture Preservation Easement, ensuring its agricultural character is preserved for future generations. Showings are by appointment only; please do not enter the property without prior authorization.
