Residential on 0.02 Acres

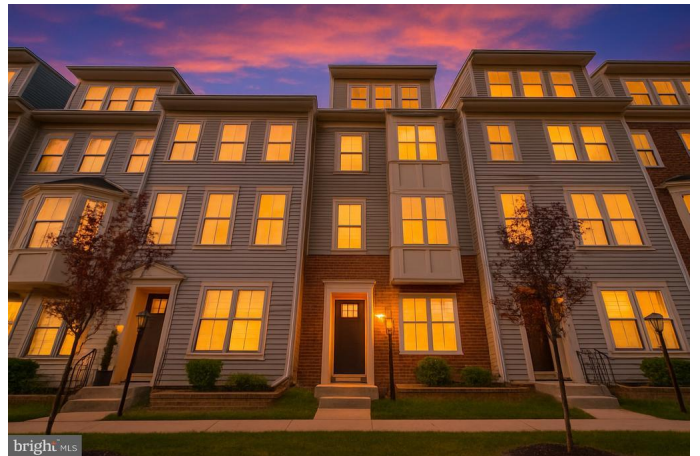

OXFORD SQUARE, Hanover, MD

Welcome home to this stunning LEED-certified 4-bedroom, 4.5-bath townhouse offering four levels of beautifully designed living space in a quiet corner of the highly sought-after Oxford Square community—a neighborhood built for active lifestyles, with open green spaces and exceptional amenities including a swimming pool, fitness center, and more.

Perfectly located for commuters, you’re just minutes from Ft. Meade, I-95, I-295, the Dorsey MARC station, and BWI Airport.

Step inside to the welcoming entry level from either the scenic wooded front walkway or through the personal door to the one-car garage—featuring extra square footage, and custom-installed overhead storage. Here you’ll find a private bedroom with its own custom closet and en-suite bath that also includes a hallway door, making it ideal for guests, in-laws, or a home office. A well-organized laundry/mudroom with built-in custom storage (2022) completes this level.

On the open-concept main floor, enjoy a chef’s kitchen with stainless steel appliances (including a new dishwasher — 2024), gas range, granite countertops, light cabinetry, a large island with seating, and a custom-organized pantry. The spacious dining area flows seamlessly to a maintenance-free deck—perfect for relaxing or entertaining.

The third level offers a luxurious primary suite with two custom closets and a spa-like en-suite bath, along with an additional bedroom that also features its own en-suite bath and custom closet.

On the top floor, youâ€™ll find a sunny and versatile loft level with a full bedroomâ€”including a walk-in closetâ€”an additional full bath, and a flex room that works beautifully as a den, playroom, home gym, or second living area. This level also opens to a private rooftop deckâ€”your own quiet retreat above it all.

Additional updates include new carpet (2022), ceiling fans (2022), custom closet systems (2022) in three bedrooms, pantry, and laundry, updated blinds (2019), and fresh interior paint throughout the home (2022).

This home is within walking distance of Hanover Hills Elementary School and Thomas Viaduct Middle School.

With its thoughtful design, modern upgrades, and access to amazing community amenities, this home is the perfect combination of comfort, convenience, and lifestyle.
