5 Bedroom, 2.50 Bathroom, 2,993 sqft

Residential on 1.25 Acres

NONE AVAILABLE, Centreville, MD

Hard to find small 7 lot community, close to town. Houses are spread apart in estate fashion. This home offers loads of privacy, five bedrooms, 2.5 baths, gourmet kitchen, breakfast nook, open plan (kitchen/family room) and a gas fireplace for comfortable living during cooler temps. Two bedrooms are located on the first floor and one could be useful for that private in-home office. This home features a maintenance free covered porch elevated above the walk-out basement, feels like a tree house. The basement is unfinished but heating has been increased to accommodate improvements and a half-bath rough-in has been installed. If you are looking for a home with plenty of closet space and storage, look no further, closets are plentiful and amazing. Tiled master bath has soaking tub and separate walk-in shower. Granite counter and vanity tops throughout. We are finishing this home in the next few weeks and new owners should be able to occupy before Christmas.
